NATIONAL ORDER OF THE ARROW
TRAIL CREW
Philmont Scout Ranch – Cimarron, New Mexico
<http://adventure.oa-bsa.org>

"The Order of the Arrow is a thing of the out of doors rather than the indoors. It was born in an island wilderness. It needs the sun and rain, the woods and the plains, the waters and the starlit sky."

-E. Urner Goodman

THE BACKCOUNTRY EXPERIENCE OF A LIFETIME

The Order of the Arrow is offering you an opportunity to join other Arrowmen in cheerful service and the formation of lasting brotherhood on the trails of Philmont Scout Ranch. Under the direction of the Philmont Conservation Department, experienced Philmont staff members with strong Order of the Arrow backgrounds will lead participants on the two week trail crew and trek.

The program is a fourteen-day experience. The first week focuses on trail construction and maintenance under the guidance of Philmont trail crew foremen. The second week is a seven-day backpacking trek that is designed by the participants. The program is not simply building trail and hiking through, the OA Trail Crew is ultimately a journey that challenges Scouts mentally, physically, and spiritually.

Trail building is tough. The worksite experience is full of long, strenuous days requiring a great deal of physical effort. Participants are expected to work with great diligence as the trail that is being built is designed to last over 75 years and protect the beautiful landscape of Philmont Scout Ranch. Other than trail building techniques, Scouts will strengthen their leadership skills, learn advanced wilderness and low-impact camping skills, observe and participate in group wilderness safety, good judgment, and motivation activities, and receive special OA instruction. The project's mission is to maintain, reinforce, and enhance the purpose of the Order of the Arrow by using Scout camping traditions. Participants are expected to use their experience to benefit their troop, chapter, lodge and council programs. Camping is a method of Scouting that enhances and builds stronger programs and people.

REQUIREMENTS

- Be at least 16 years old the day your program begins, but not 21 by its conclusion.
- **Be physically fit**, able to lift and handle materials up to 50 lbs. (Philmont height and weight guidelines listed in this application will be strictly enforced.)
- Be a registered member of both the BSA and an OA lodge.
- A complete physical examination is required. (Philmont's Health and Medical Record will be sent to those who are accepted.)

No exceptions can be made to these requirements. Selection for this program is both an honor and a privilege.

HOW TO APPLY

Complete the enclosed application, have it approved by your Scout Executive/OA Staff Adviser, Lodge Advisor, and receive parental permission if you are under age 18. (The National OA office will accept email approval from the Scout Executive/OA Staff Adviser and Lodge Advisor. They should send their email approval to: Matt.Dukeman@Scouting.org.) Mail your completed application (available online in a fillable PDF) and \$50.00 deposit to the Order of the Arrow, Boy Scouts of America, P.O. Box 152079, Irving, TX 75015-2079. Upon approval, the OA will notify applicants of acceptance by email on a first-come, first-served basis. (Every effort will be made to give participants their first choice.) A packet of materials will be sent to you in the spring, preparing you for your experience. Applications will be accepted until all slots are filled. If a session is filled, a waitlist will be maintained should a cancellation occur.

LODGE AND COUNCIL RESPONSIBILITIES

Lodges and councils should only approve those youth Arrowmen who meet all of the qualifications for this program. Philmont is not an easy experience and is a risk for those not physically prepared for the rigors of the mountains of New Mexico.

PROGRAM COSTS AND TRAVEL INFORMATION FOR PARTICIPANTS

Participant cost is \$250 for the two-week experience. A \$50 non-refundable deposit is required with this application. The balance of the fee is due within **60** days of acceptance into the program. Additional expenses, including travel to and from Philmont as well as miscellaneous purchases, are the responsibility of the participant. Those applicants not accepted as participants into the program will have their deposit returned. Participants canceling acceptance will be eligible for a refund, minus their deposit, if notification is received in the national office by May 15. No-shows are not eligible for a refund. Please visit <http://adventure.oa-bsa.org> for information to help you plan your trek.

RISK ADVISORY - PHILMONT SCOUT RANCH

Philmont has an excellent health and safety record with over 950,000 adults and young people having attended since 1938. Philmont strives to minimize risks to participants and advisors by emphasizing proper safety precautions. Most participants in Philmont programs do not experience injuries because they are prepared, are conscious of risks, and take safety precautions. If you decide to attend Philmont, you should be physically fit, have proper clothing and equipment, be willing to follow instructions and work as a team with your crew and take responsibility for your own health and safety. For further information please thoroughly read the *Guidebook to Adventure*. Like other wilderness areas, Philmont is not risk free and you should be prepared to listen to safety instructions carefully, follow directions and take appropriate steps to safeguard yourself and others.

Parents, guardians and potential participants in Philmont programs are advised that journeying to and from Philmont, and one's stay at Philmont, can involve exposure to accident, illness, and/or injury associated with a high elevation, physically demanding, high adventure program in a remote mountainous area. Campers may be exposed to occasional severe weather conditions such as lightning, hail, flash floods and heat. Other potential problems include: injuries from tripping and falling, motor vehicle accidents, worsening of underlying medical conditions such as diabetes or asthma, heart attacks, heat exhaustion and falls from horses.

Philmont's trails are steep and rocky. Wild animals such as bears, rattlesnakes and mountain lions are native and usually present little danger if proper precautions are taken. Please refer to the *Guidebook to Adventure*, speak with previous Philmont participants, or call Philmont for further information concerning risks and measures which can be taken to avoid accidents. Philmont has staff trained in first aid, CPR and accident prevention, and is prepared to assist in recognizing, reacting, and responding to accidents, injuries and illnesses. Each crew is also required to have at least one member trained in wilderness first aid and CPR. Medical and search and rescue services are provided by Philmont in response to an accident or emergency. However, response times can be affected by location, weather or other emergencies and could be delayed six (6) or more hours.

Philmont trail food is, by necessity, a high carbohydrate, high caloric diet. The trail food is high in wheat, milk products, sugar and corn syrup, and artificial coloring/flavoring. Most dinner meals contain meat. If participant has a problem with the diet described above, contact Philmont for a copy of the trail menu and ingredients and plan to send supplemental food. Philmont will deliver supplemental food to the appropriate pickup places.

PHILMONT WEIGHT LIMITS FOR BACKPACKING AND HIKING

Each participant in a Philmont trek must not exceed the maximum acceptable limit in the weight for height chart shown below. The right hand column shows the maximum acceptable weight for a person's height in order to participate in a Philmont trek. Those who fall within the limits are more likely to have an enjoyable trek and avoid incurring health risks. These guidelines are used because overweight individuals are at a greater risk for heart disease, high blood pressure, stroke, altitude illness, sleep problems and injury.

Participants 21 years and older who exceed the maximum acceptable weight limit for their height at the Philmont medical recheck WILL NOT be permitted to backpack or hike at Philmont. For example, a person 70 inches tall cannot weigh more than 226 lbs. All heights and weights will be measured in stocking feet.

For participants under 21 years of age who exceed the maximum acceptable weight for height, the Philmont physicians will use their best professional judgment in determining participation in a Philmont trek. Participants under 21 years of age are strongly encouraged to meet the weight limit for their height. Exceptions are not made automatically and discussion in advance with Philmont is required regarding any exception to the weight limit for persons under 21 years of age, whether it is over or under. Philmont will consider up to 20 lbs. over the maximum acceptable as stated on the chart, however, the exception will never exceed 295 lbs. Philmont's phone number is 575-376-2281.

The maximum weight for any participant in a Cavalcade Trek and for horse rides is 200 lbs. **Under no circumstances will any individual weighing more than 295 pounds be permitted to participate in backcountry programs.** This requirement is necessary because of limitations of rescue equipment and for safety of search and rescue personnel.

Individuals who do not meet Philmont's weight for height requirements will not be allowed on the trail and will be sent home.

Height (inches)	Recommended Weight (lbs)	Allowable Exception	Maximum Acceptable
60	97 - 138	139-166	166
61	101-143	144-172	172
62	104-148	149-178	178
63	107-152	153-183	183
64	111-157	158-189	189
65	114-162	163-195	195
66	118-167	168-201	201
67	121-172	173-207	207
68	125-178	179-214	214
69	129-185	186-220	220

This table is based on the revised Dietary Guidelines for Americans from the U.S. Dept. of Agriculture and the Dept. of Health & Human Services.

A water-displacement test to determine percent body fat will also be accepted in lieu of the height-weight guidelines. Women will need to have body fat of 20% or less and men will need to have a body fat of 15% or less to be qualified to participate. No other form of test to determine percent body fat (DEXA scan, skin fold, etc.) will be accepted by Philmont.
