3:39 Fall Festival
Need more emails sent out. Registration closes the 28th of Aug. We want to make sure that info is getting put out. Social Media also needs to send out posts regarding FF. Emphasize how brotherhood candidates can get their brotherhood via FF. Tell them what they need to do before the ceremony. VC Inductions needs to work with the Brotherhood Chairman. Nimats are needed, especially CCs. If you are not doing something at camp, you should be at the ring sitting at the benches watching the ceremony. Adults can also be Nimats. The official date for election season has not been decided, but will be during mid-September.

7:46 OK Conservation Day (Sept. 13th 9-12) & TK Paul Bunayn Day (Oct. 4th 9-12)
Advertise to chapters for them to serve lunch. Service in the morning, lunch will be hotdogs and chips for both events. Invite your troops. OA Staff do not need to register, but everyone else does.

4:17 Service proposal to work in the dining hall. We will replace patches on the wall and refurbish the dining hall. Wants a more "open concept" for dining hall. A lot of the older patches will be taken down, newer merchandise included.

Braques says that many of the patches are glued on the cork board. So we might have to get new ones.
