Summer Pow Wow

Brothers,

Summer Pow Wow was one for the record books: the seminars were amazing, the people were even better, and most of all the Brotherhood grew amongst our members. We tried some new things that really went over nicely, from the opening campfire to Taco Bell and salsa for the 237 Surprise. Hats off to Josh Ott and Arren Richter for helping put on the best Summer Pow Wow.

In addition, congrats to A-Bani-Ki and Oi-Ya-Tah for tying for the BEST ALL AROUND CHAPTER. Both will be put proudly on our trophy in the Lodge Building. We also brought back some oldies but goodies for this event, by throwing our past Lodge Chief Dan Olbrych in the creek, and having an amazing Pow Wow Saturday night. Thank you to everyone who helped out and attended. For those of you that missed, I highly encourage you to come out next year for the revamped Summer Festival.

Chiefly Speaking

My Brothers,

This past year has been amazing for Aal-Pa-Tah Lodge. I would like to thank Dan Olbrych for leading this Lodge as Chief in the right direction for the past few years. He has been a role model for all and a servant leader at heart. I am honored to be your next Chief and I am excited to experience this new Lodge year with all of you. I would also like to thank everyone, adults and youth, who made last year and recently, the Summer Pow Wow, a success.

To carry this success into the future, leaders must rise; this year's leadership is a team of people dedicated to you - the members of this Lodge. Our collective vision for this year is to become the Best All-Around Lodge. With a vision comes goals: exciting program, amazing ceremonies, and service that will be felt for years to come.

It is important to remember that this is only possible with the support of the whole Lodge. Please join me in this vision, this dream, and help me make it a reality. Everybody can help. Return from summer camp and get the OA members from your home Troop to go to the Fall Ordeal, attend a Chapter meeting, take a Chairman position, become a ceremonialist, help run a Chapter competition, or attend a Service Day. There are countless opportunities for you to become more active in the Lodge and it only gets more fun. I challenge each and every one of you to find your place in Aal-Pa-Tah Lodge. Whether it be in program, service, ceremonies, or something in-between, find a niche that you love and allow your interests to blossom into talent and fun.

With any questions, comments, or concerns please email me at lodge237@gmail.com and I will try to respond as soon as possible. Let's make this year unforgettable.

Adviser's Minute

Winston Churchill once said, "You have enemies? Good. That means you've stood up for something, sometime in your life."

Now, I am not a fan of making enemies on a regular basis. In fact, I avoid conflict like the plague. But on the other hand, I am strongly committed to do my very best to stand up for what I believe in. So for me this quote is a bit of a dichotomy.

Recently someone asked me to do something that I felt was against my personal principles. This was a person whom I look up to. I found that I hesitated. I found that I was considering the request. But something nagged in my brain and in the end I simply said no. A small thing in practice, but it has me thinking about how easy it is to compromise one's values. Having courage of convictions means having the guts to stand up for what you believe is right even when it is not easy. And believe me, sometimes it is hard, really hard.

I find my convictions are much more clear and easier to defend when the situation involves people I do not know well. Think about this... if we saw a stranger stealing from a store, it would be far easier to report him than if that person was our friend. Why is this? The belief that stealing is wrong is constant, but that the person stealing is a friend complicates the matter.

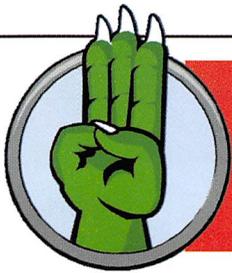

Or perhaps when it comes to convictions, we can compromise our beliefs based on degree. In our stealing example do we look the other way when the transgression is small, such as stealing a pack of gum versus stealing a car?

Or maybe we simply look the other way because we are fearful. Perhaps we don't want to be ostracized or ridiculed. Often standing up for our beliefs results in having to defend our beliefs or becoming a target ourselves.

But once we start justifying our inactions, our complacency grows. And as each of us becomes comfortable with complacency, we become a group that is comfortable with complacency. I am sure that you can think of situations at school, in Scouting, or in other areas of your life where something was not right and not one person had the courage to take a stand. Be that one!

Vice Chief of Service

Brothers,

This year, service will become bigger and better. We need your help. Youth will take a larger role in the service towards our Lodge and Council. We plan to appoint a Lodge Quartermaster, as well as re-instating a Maintenance Yard Coordinator, Trail Crew Manager, and Food Service Coordinator. Brothers will also carry out more service on a chapter level. Lowaneu Mawat has just completed a successful day of service; we hope to see other chapters do the same. Much more is to come, and I am excited to work with you all.

NOAC Throwback

Reprinted from the NOAC *National Inspirer* - August 17, 1988

Most Arrowmen today have only the vaguest perception of the nature of our Founders, Dr. E. Urner Goodman and Col. Carroll A. Edson. We have all been versed on the events leading up to the first OA induction on Treasure Island Scout Camp, located outside of Philadelphia, Pennsylvania. The spark had been ignited.

In the weeks and years that followed, more inductions were conducted and membership in the OA became a staple of the summer camp experience. Shortly thereafter, word of our Brotherhood spread to nearby councils, and members outside of the Philadelphia Council were being inducted. The spark had become a flame.

Interest swelled, membership increased, lodges were formed and the honor camper society of Treasure Island became an officially recognized and integral part of the Boy Scout program. We know that the sky is truly the limit for where we can go, but why are we here? We serve a vital purpose.

In each council, when effectively used, we are a priceless asset. Working hand in hand with our respective camping committees, we provide a powerhouse of labor at camp. We inspire the members of our units. In addition, we also provide an opportunity for our members to explore and enrich their leadership potential, both in their units and lodges. In some way, we have all been touched and influenced by the Order.

One way to view the OA is that we are all on a trail, progressing onward. At times the trail becomes difficult and steep, an example of the burden of weighty responsibilities we sometimes bear. At times the trail is in need of repair, so we pause and improve the condition of the trail for our fellows. The trail can also grow wide and easy, and here we walk alongside other Brothers and enjoy their friendship and fellowship.

At any given point in time, we are all on the trail, leading those who are to come after us and following those who came before us. We travel on, using both our own resources and the help of our Brothers. All of us traveling on a well-beaten path, a path laid by those who have gone before; a path bearing the footprints of our Founders.

Hello Brothers,

My name is Matthew Grabasch and I will be having the honor to serve as your Chapter Chief for the upcoming year. I am looking forward to take the next step into this new century of OA and am looking to further our continuing service. We have a great group of leadership in Shane Wooley and Nick Boekholder as Vice Chiefs and Mr. Bassler as our Chapter Adviser. Please remember that our monthly Chapter meetings are located at Chancellor Charter School Imagine Campus, the second Monday of every month from 7:00 PM to 8:30 PM. We are continuously seeing new faces, but we would like to have more consistency in attendance. Our meetings will start in August and go until May. Please try to bring in baked goods to sell so we can finish off our campaign to update our patches and T-shirts. If you need to contact me at all, my email is: Mattisahockeyfan@gmail.com. Remember: IT'S NO LIE, THE BEST CHAPTER IS A-BANI-KI!!!

Oi-Ya-Tah

Brothers,

Oi-Ya-Tah Chapter is going very well. We are thrilled to have won Best All Around Chapter this past year, and want to thank our last Chapter Chief Michael Riley for his dedicated service to our Chapter and strong leadership that allowed us to fully experience this Lodge year. For the upcoming year, we are planning on winning Best All Around Chapter again. We are going to amp up our service at the Chapter level and are looking to increase member retention. The next year is going to be awesome and all the Brothers in the Chapter are ready to take the Lodge by storm. We still meet the second Thursday of every month at District Roundtable, and encourage everyone to come out. We will be meeting the third Thursday in July to keep up with you all, if you can attend that would be awesome. Lastly we at Oi-Ya-Tah would like to congratulate Nick Raymond for becoming the new Lodge Ceremonies Chief, and Michael Riley for being re elected as the Vice Lodge Chief of Program. Section Conference 2015 Recap

Brothers,

To all of those that could not make it out to Section Conference, you missed a lot of fun and fellowship with our Brothers in the Section. We competed in all competitions, and took home First Place in King's Cup, Website, and Publications, Second in Volleyball, Third in Inductions and Adviser Sink-a-thon. We had five Lodge members take part in the Festival of Feathers where Connor Caners took First Place in Grass Dance, Kristian Cimmino took Third Place in Straight Dance. Andrew Pierro took First Place, and Issac Sunderman took Third Place, and an Honorable Mention for Jason Thorn II all in Northern Traditional. If you want to see some pictures from this event they are up on the Lodge's website and if you have some that you could upload that would be greatly appreciated. We had a total of 105 Arrowmen that represented Aal-Pa-Tah Lodge, we were spirited but not obnoxious, and very sportsmanlike.

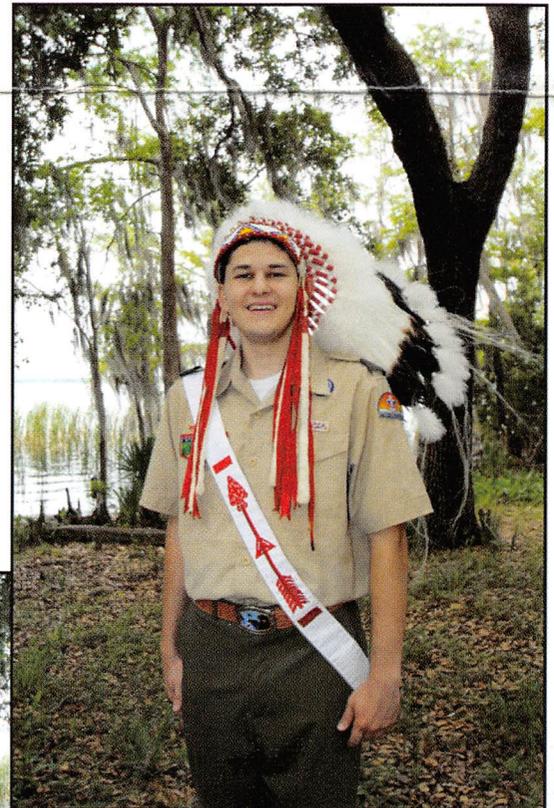

The newest Section Chief, Aaron Gluck, comes from our very own Aal-Pa-Tah. We expect good things of you Aaron! Our success at Section Conference was due to those that worked hard to update the website, publish Gator Tales, and record our Lodge's history. We are looking for hardworking Arrowmen who want to better our Lodge. If you any question on the positions or what is right for you, please email lodge237@gmail.com.

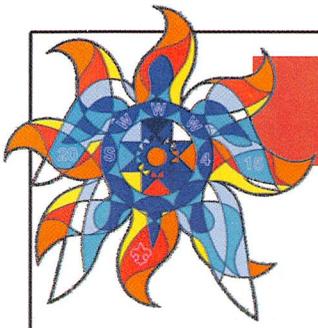

Yours in Service,
Daniel Olbrych

Hello Aal-Pa-Tah Lodge,

If you are unaware, I was recently elected to the position of Section Chief. I am extremely proud to represent our Lodge at this level and am ready to improve our Section going forward. I want to let everyone in our Lodge know about some opportunities from the Section level. We are currently recruiting members to be a part of four Section task forces for AIA, ICE, Website, and Publications. Arrow Tour will be held at Camp La-No-Che and Camp Shands on July 9 and 10, respectively and is free and open to the public. I also want to let all of the members who will be going to NOAC know that we will be doing a Section Gathering (Pizza Party) after the Wednesday night show. We also have a great event coming up November 6-8, which is the Section Leadership Summit at Wallwood Scout Reservation in Quincy, FL. Finally, please visit our new website at sections4.org and like our Facebook page. If anyone would like to learn more about the Section or get involved please contact me directly at ahg1996@yahoo.com

As Cited by the National Order of the Arrow Committee:

As a youth member, Barry served the Order as our Section Chief.

As an adult, he has served on staff for numerous regional and national Order of the Arrow events, including National Leadership Seminars, ArrowCorps5, and 18 National Conferences.
